

Björn Savén Finnish American Scholarship

The Björn Savén Finnish American Scholarship, formerly known as the IK Finnish American Scholarship, was introduced in 2000 and has provided talented young Finnish business and/or technical students and university graduates with an opportunity to broaden their academic and international perspective through studying at leading universities in the United States. Björn Savén Finnish American Scholarship is intended for Finnish students, to finance post-graduate studies in the United States.

Björn Savén, with his broad experience in dynamic and competitive international markets, is a firm believer in the benefits of studying abroad in order to gain an international background and perspective.

The grant for the academic year 2018-19 is EUR 35 000.

Application criteria:

- Finnish nationality
- Age between 23 and 30
- Graduate from either one of the Finnish Business Schools, Universities, Technical Universities or similar
- Seeking to conduct a minimum of one-year post-graduate studies in the United States, with the view of pursuing either a future financial or industrial career or a combination of the two disciplines with a Finnish investor or business.
