

Thanks to Scandinavia

Thanks To Scandinavia, a scholarship fund, recognizes the ordinary people who performed extraordinary acts in Scandinavia and Bulgaria during WWII which saved tens of thousands of their Jewish neighbors. Thanks To Scandinavia celebrates those who demonstrated courage, tolerance and civility even in dark times. To honor their legacy, Thanks To Scandinavia provides scholarships to students from Scandinavia and Bulgaria who are pushing the boundaries of knowledge and working to create positive change in our world. Thanks To Scandinavia was founded by Danish entertainer Victor Borge and New York attorney Richard Netter in 1963.

Scholarship criteria:

We are proud to work with the League of Finnish American Societies in selecting and **supporting top Finnish students interested in pursuing graduate study in the United States** (have to be enrolled in a graduate degree program at a university). **The scholarship must be used towards tuition at the university.**

Every year, the League identifies candidates who need support and we are pleased to approve nominations. **Thanks To Scandinavia has two U.S. scholarship reserved for outstanding Finnish students** and we have additional scholarships available directly through some of the top U.S. universities for Nordic students.
